

**Indirect Loan
To Foreign Trust**

Initial Structure

Indirect Loan

Means grantor trust with respect to that person

A, a U.S. citizen, previously created and funded FT, a foreign trust, for the benefit of A's children, who are U.S. citizens. On January 1, 2005, FB loans 450X to FT. On January 2, 2005, A deposits 500X with FB, a foreign bank. A is unable to demonstrate to the satisfaction of the Commissioner, that FB has a relationship with FT that establishes a reasonable basis for concluding that FB would make a loan to FT or that FB acted independently of A in making the loan. A is deemed to have transferred 450X directly to FT on January 1, 2005. FB is treated as an agent of A. For possible exceptions with respect to qualified obligations of the trust, and the treatment of principal repayments with respect to obligations of the trust that are not qualified obligations, see Reg. 1.679-4.
