USCo is a corporation resident in the United States. USCo owns 100 percent of the shares of BelCo, a corporation resident in Belgium. USCo operates a large research and development facility in the United States that licenses intellectual property to affiliates worldwide, including BelCo. BelCo and other USCo affiliates then manufacture and market the USCo-designed products in their respective markets. Since the activities conducted by BelCo and USCo involve the same product lines, these activities are considered to form a part of the same trade or business.
